Dear Parents & Guardians

RE: Updated GNLC Bus Service – Register for Term 3

I recently wrote to inform you of the new Good News Lutheran College bus routes commencing from Term 3 and invited feedback. Since then, several families have provided comments and feedback. Thank you.

This feedback has been used to make a few minor adjustments to the new routes, while keeping to our three main criteria:

- None of our students should be on the bus for more than one hour
- Safety of student passengers is paramount, and buses need to travel on roads/routes that are suitable and minimise inconvenience to other road users
- Buses should stop at PTV bus stops, or close to, wherever possible.

Details of these updated routes are attached to this letter. Even if you have seen this before, please review it as some stops and times have slightly changed.

If you have not already done so, I ask you to kindly fill out the form below to inform us of your intentions to use the service and indicate your pick up or delivery point from Term 3. Even if your bus route, stops, and frequency have not changed, it would be very helpful if you could kindly fill out the form and update your information.

[CLICK HERE to fill out the Term 3 College Bus Service form](#)

Please note that the new bus routes will be made available to all College families next week (not just current bus users), so please make sure you book in early so as not to be disappointed.

Bookings/form submissions must be completed and returned by 9am Monday, 15 July 2024. For any further information or questions please email frontdesk@goodnews.vic.edu.au

Thank you for your consideration and cooperation during the process of this change.

Yours sincerely

Mr Anthony Vassallo
Business Manager
